

A major event in the legal calendar, the 52nd congress of the Union Internationale des Avocats - UIA (International Association of Lawyers) will be held in the Bucharest Parliament, from October 29 to November 2, 2008.

Four main themes will be discussed:

- The Information Society: Questions and Challenges
- Water and the Law
- Competition Law: Competing Models of Market Regulation
- The Legal Profession: Just another Business?

Separate meetings involving some 40 specialist commissions and working groups of the UIA will also be held.

The UIA offers congress participants a unique opportunity to exchange experiences and share points of view. It will also be a great means for legal professionals to familiarize themselves with the practice of law in central and eastern European countries.
