

Hilton Sorrento Palace

Sustainable contribution

6/6/2022

Hotel Sustainability Projects

Carbon Neutral Meetings:

- ✓ Participation at the activity Carbon Neutral Meetings by using the Carbon Neutral Meeting Calculator.

Biodegradable and organic napkins use:

- ✓ The use of biodegradable and compostable napkins at Pagoda Pool Bar and at breakfast in L'Alba will reduce laundry cost, staff and time consuming. With the use of bamboo napkins a net saving of about 38% was calculated on the napkin washing only, without calculating the least expenditure of energy of the staff.

Metal bottle cap Recycling:

- ✓ all metal caps are separately collected to be recycled.

Cork Recycling :

- ✓ We started the cork recycling to contribute to the initiative Tapproachi as cork can be easily reused
- ✓ **Collected by mid June 2017 about kg 85 of cork**

Hotel Sustainability Projects

Clean the World :

- ✓ Bar soap recycling

Uniform for banqueting staff:

- ✓ Uniform made by a Sorrentine tailor

Flavourings corner:

- ✓ Rosemary, mint, thyme, laurel, sage

Hotel Sustainability Projects

Jam dispenser at breakfast :

- ✓ The introduction of jam dispenser at breakfast will impact on consumption, reducing the waste of single-portion jars

Hotel Sustainability Projects

Vegetable garden:

- ✓ Growing of local products such as tomatoes, aubergine, courgettes, potatoes
