 **Teneo**

Goals and Strategies

- To lead the study, evaluation and development of restructuring and insolvency law, techniques and practice in Europe;
- To be acknowledged by European and international bodies as the first port of call for all matters regarding restructuring and insolvency in Europe;
- To disseminate technical and topical information on restructuring and insolvency;
- To facilitate business development and the exchange of professional experience among its members; and
- To further the technical knowledge and training of members, their staff and others.

Join our Association

Expand your network

- > Join 1300 members from Europe and beyond

Get Involved

- > Attend our regular conferences, online or around Europe
- > Join working groups; write articles for our newsletters, Eurofenix and website

Be Informed

- > Read our technical publications authored by experts in their field

Find out more at: www.insol-europe.org

Benefits of Membership

- Discounted rates for our conferences and events.
- Professional details listed in and access to INSOL Europe's online directory, searchable to all members.
- INSOL Europe has many working groups and committees covering a wide aspect of the work that our members undertake such as Academic Forum, Anti-Fraud Forum, Eastern European Countries' Committee, EU Study Group, Financiers Group, Insolvency Tech & Digital Assets Wing, Turnaround, Restructuring and Insolvency Practitioners Group, Judicial Wing, Membership Development Committee, Young Members Group and YANIL.

Find out more at: www.insol-europe.org

Benefits of Membership

- Opportunity to write articles for our newsletters, Eurofenix and website.
- Free digital copies of Eurofenix, INSOL Europe's popular quarterly journal.
- Free digital copies of publications in the INSOL Europe Technical Series.
- Free access to our Technical Resources including documents and publications on hot European and International topics e.g. INSOL Europe/LexisPSL Joint Project on 'How EU Member States recognise insolvency and restructuring proceedings of a third country' and Tracker on the implementation of the EU Directive on Restructuring and Insolvency ('DRI') in the EU Member States.
