Summary:

I am a lawyer with significant experience in insolvency, restructuring and commercial law as well as in litigation and arbitration, including before the CJEU and ICC. I advise debtors and creditors. I have led insolvency and restructuring projects for, i.a., wind farms, mining, construction and steel production companies. Having graduated in Poland and Germany I have relevant knowledge of both legal systems law and specialise in cross-border cases. I advise in Polish, German, English and Czech. I am an author and a speaker (including EECC Conferences in Vilnius and Cracow).

Personal information:

I travel the world with a cookbook. My faithful companion is a dog named Sushi. My favourite apps are those for learning foreign languages. I know “Friends” and “Legally Blonde” by heart. I read everything and in huge quantities. I do sports, because I sit in front of the computer too long. To INSOL Europe Council, in addition to hard work and commitment, I can bring a specific sense of humour :)
